

Spiffx signs agreement with Spanish operator Goldenpark.es

Goldenpark.es, MGA's online brand, sign an agreement to be the first operator to launch the Take5 games in Spain.

Lennart Gilberg – Acting CEO and Director of Spiffx AB said: “There is a big opportunity in Spain for the type of dynamic content that Spiffx specialise in producing. MGA is an innovative company who have always been at the cutting edge of creation, therefore it's no surprise that MGA have been the first to market with the Take 5 games on Goldenpark.es”.

Elisabet Nogueras – Manager of the Goldenpark.es brand said: “We are very excited to have reached an agreement with the Spiffx Group. The Take 5 suite of games are unique to other content which is available on the market in Spain. The in-play approach provides the consumer with an instant, fun and we are happy to be the first to market and have the launch planned for January 2018”.

About MGA

MGA is an innovator in the gaming sector in Spain. The company began operations about 40 years ago with the manufacture, distribution and use of recreational and entertainment machines. In the last decade, MGA has specialised, through its Industrial Division, in marketing electronic casino machines and multiposition roulette machines, pioneering the introduction of roulette in arcades. Aware that the gaming sector requires a permanent change, MGA created a Division of New Technologies in 2001 to explore new markets and to develop new products based on software and technological innovation. MGA launched Goldenpark.es in 2012 which offers online sports and casino play. The company has launched a new website in 2015, TodoSlots.es dedicated to Spanish online slots.-
